Mr. J.W.Bhore, Secretary to the Government of India, Department of Education, Health and Lands has stated that the Madras Government will obtain the Resident's views before approaching the Government of India in regard to the continuance of the two posts of Inspector of Schools Coorg and Bangalore and the Headmaster, Central High School, Mercara on the Madras cadre of the Superior Educational Service. A

GOVERNMENT OF INDIA—FINANCE DEPARTMENT.

Pay and Accounts Office,

BANGALORE.

Dated 8th May 1928.

Seen and returned with thanks ~~with~~ with the following remarks:-

Para 4 of the draft.

It is suggested for consideration whether a reference to Mr. Boag's recommendation to give the Inspector the maximum pay of Rs.1250/- may not be made in this paragraph explaining why that pay is considered unsuitable. Government of India (would) doubtless referred to that correspondence in dealing with the present proposal.

Para 5.(Leave)

There should be provision in the contract for the grant of leave on medical grounds or other urgent private affairs (debitable to the one year's leave on average pay proposed) if necessity arises. If such a provision is not made a reference to the Secretary of State would be necessary, when leave is urgently required on the above grounds.

(Pension) The grant of pension as suggested is not usual in the case of contract appointments vide article 352(a) Civil Service Regulations.

(General) I presume what is meant is that the contract would specify that the tenure of the appointment is for 10 years and that the officer selected would be on probation for two years or more. Five years appears to be too long for a contract of ten years. If the officer is discharged after the probationary period but before the termination of the contract the question of granting the officer a free return passage may be considered.

Provision would doubtless be made for suitable notice on either side when the officer wants to regign or the Govt. wants to dispense with his services.

Para 8. In the proposition statement the pay of the present post has been taken to be Rs.1250/- to 1750/-. The sanction is

Para 9.

It is proposed to have the officer selected for the new post to work under Mr. Yates for at least 3 months. Mr. Yates will retire only in April 1929 and there will thus be two officers from the date of appointment of the new officer to the date of Mr. Yates' retirement. The abolition of the present post in the I. E. S. should therefore take effect only from the date of retirement of Mr. Yates.

Please put up through office & deal with early. Was a proposal to create a temporary post for a somewhat similar purpose a year or more ago not turned down by the Govt. of India?

Has the Resident power to create a temporary post for a month or so for Mr Tinker while the latter sits at the feet of Mr Yates?

2/10

S.N.7

Mr. Tinker's pay is given as Rs.1050/- plus Rs.700/- overseas pay. Under rule 52(b) of the Book of Financial Powers the Hon'ble the Resident may sanction the creation of a temporary post on pay not exceeding Rs.1,500/- for not more than six months, if the pay exceeds Rs.500/-. Therefore the Resident has got power to create a temporary post ~~under consideration~~ for Mr. Tinker. The extra cost involved by the proposal amounts to Rs.1,350/- per mensem (including overseas pay). This can be met by reappropriation from savings available elsewhere in the current year's Assigned Treat budget.

It appears necessary to intimate this fact to the Government of India with reference to paragraph 2 of the Resident's letter No.C/6013/1003, dated the 25th May, 1928.

S.N.4

No proposal to create a temporary post for a somewhat similar purpose appears to have been sent from this office a year ago. Please see S.N.2 & 4/131-25 in which a temporary post of Superintendent of Excise and Income-tax Officer was created for six months and the sanction of the Government of India was obtained for extending it for another 2 months.

I have subsequently remembered that it was a proposal of Mr Cotton's that his successor as A.G.G. Madras States should be placed on special duty for a month or so to learn the work, that was turned down by the G.of.I. ADC 4/X

As per rule paragraph 2 of the P.W.D. No. Notes may perhaps be informed that the Resident

Kindly see the p.u.c. and those notes from para 39.
I presume there is no objection to Mr Yates having his leave.
The Gt of I. are not inclined to view with favour proposals to create special posts while one officer is learning his work from another, but in this case as Mr Yates' post is a very special one, and his successor comes from a totally different part of India and must necessarily be quite unfamiliar with the work, I think there is justification for the creation of a special post but not for more than a month or so.

Issued No. 3360 S. 5. 10. 28

Extract from a Confidential letter dated 26-2-28., from J.A. Yates, Esq., Inspector of Schools, Bangalore., to Major K.A.G., Evans-Gordon, Secretary to the Resident in Mysore, Bangalore.

Sanction would have to be obtained, I presume, for the creation of the special post of Inspector of Schools, Bangaloro and Coorg. It will be necessary to get some one with experience of education at home. Consequently I suggest that the scale should be Rs.750-50-1750, rising by instalments, and overseas allowance on the present scale. (This could be obtained from the P & A Office). I put the maximum of the scale as at present. But it might be necessary, in view of the fact that no bigger post such as that of D.P.I., Madras, will be open to the appointee, to put the scale up to Rs.2000 maximum. I have suggested the starting pay as Rs.750 plus overseas allowance. This would be roughly equivalent to £.900, sufficient to attract a man not too old, but with experience and energy - say about 28 to 30 years of age.

It is for consideration whether the post in the first instance should be for five years, or even for less, say two years. It would be impossible to get an unsuitable man transferred, as at present. I think it would be safer to have a man on trial, so to speak, giving him increments up to the period of his service.

3. The person appointed would have to be given leave passages on the present provision, probably four in his service. I think also that passage money for his joining duty should be provided, and in the event of his being returned to England after a probationary period (See para.2 above), his passage should be paid. He should get a pension on the scale now provided, under the Fundamental Rules. He should compulsorily subscribe to the general Provident Fund.

4. Qualifications. (1) He should be an Honours Graduate of one of the larger and older British Universities - preferably Oxford, Cambridge, London, Edinburgh or Dublin. (2) If he has had administrative experience (e.g., under a county education Committee) so much the better. (3) He should have, if possible, in order to deal with training schools, technical qualifications - e.g., a diploma of education - over and above his degree qualifications (4) As he will have under his control special schools for

carpentry, metal work and gardening - not however high grade technical institutions - it would be as well if he acquainted himself with work of this nature. (5) If possible he should be musical, and have some musical knowledge, since he will have to deal with music examinations, and in inspection of schools to judge school singing (Note :- A special temporary teacher of music is attached to this office).

Appendix IV Page 6 at (D) Se 21 '16 E/25

being about 10 years in each case. Attention may here be invited to Mr. Boag's suggestion that Rs.1250/- may be the maximum pay of the Inspector for Bangalore and Coorg, and to the Government of India letter No.1303 Edn. dated 11-6-1926.

II. LEAVE.

Officers engaged on contract for more than 5 years are entitled to the leave rules in the Fundamental Rules, Vide C.I., F.D. F.31 C.S.R.24, dated 14-11-24. But if the special terms proposed, i.e., two periods of leave for six months each during the 10 years service are preferred, the contract may make provision for those terms. Presumably the Officer will have leave on average pay. During his absence another officer will have to be appointed and it may be considered how the substitute should be recruited. The Government of India can create a temporary post for the period of leave.

Se 606/A 250-03.

III. PASSAGES.

Four First Class (B) passages have to be provided (i on joining, 1 return during leave equivalent to 2 passages and one on vacating the post), i.e., about £336/- or about Rs.4,500/- Now we pay at Rs.50/- per mensem to the Madras Government as contribution for passages, i.e., for 10 years we would be paying Rs.6,000/-, but this would cover passages for the officer and his family. Persumably the intention is to give free passages to the Officer only.

IV. PENSIONS.

Nothing is said about the liability of Government to pay the Officer any gratuity at the end of 10 years or to contribute towards any Provident Fund. This may perhaps be considered and decided.

V. SANCTION.

(a) The creation of a special post of Inspector of Schools, Bangalore and Coorg, involves the abolition of the present post of Inspector included in the cadre of I.E.S. Officers of the Madras province. This requires the sanction of the Secretary of State in Council, vide Rule 1 of the Rules relating to expenditure by the Government of India on subjects other than Provincial, printed as Appendix to the Book of Financial Powers.

Se 105/A 203-07.

(b) As the maximum pay proposed for the Special post is over Rs.1200/- per mensem, the creation of the special post also requires the sanction of the same authority under Rule 2 of the Rules quoted above.

I have the honour to refer to the Proceedings of the Madras Government, Law (Education) Department No.446, dated 23rd March 1923.

2. The question of direct recruitment from England in future for the post of Inspector of Schools, Coorg & Bangalore, is at present under my consideration. This will entail removing the post from the Madras cadre, a step which I understand is already under contemplation by the Government of Madras. Before addressing the Government of India in the matter I would be glad to know whether the Madras Government have any objection to the removal of this post from their cadre. Mr. Yates, the present incumbent, is due to retire in April 1929 and is proceeding on leave preparatory to retirement in October next and I consider it essential that his successor should work under Mr. Yates for at least 3 months. This will entail arrangements being made for his successor in the very near future and I

Dated, Fort St. George, the 10th May 1928.

Sir,

With reference to your letter No.3373/106-1928, dated 11th April 1928, I am directed to say that this Government have no objection to the removal of the post of Inspector of Schools, Coorg and Bangalore, from the Madras cadre. As the proposal involves the abolition of a post included in the cadre of the All-India services, the sanction of the Secretary of State will be necessary. It is presumed that the Government of India whom you are proposing to address will obtain the requisite sanction.

2. In this connection a suggestion has been made that the post of headmaster of the Central High School, Mercara, which is included in the Madras Educational Service and which is now permanently vacant may be removed from the Madras cadre. I am to enquire what the views of the Coorg Administration are in the matter.

3. After consultation with Mr. J. A. Yates, Inspector of Schools, Coorg and Bangalore it is considered that it would be advisable for the officer selected to possess the following qualifications:-

(1) He should be an Honours Graduate of one of the better British Universities.

(2) If he has had administrative experience (e.g. under a County Education Committee) so much the better.

(3) He should have, if possible, in order to deal with training schools, technical qualifications e.g. a diploma ~~of education~~ over and above his ~~degree~~ qualifications.

(5) If possible he should be musical and have some musical knowledge since he will have to deal with music examinations, and in inspection of schools to judge school singing.

4. Consequently it is suggested that the following scale of pay should be attached to the post:-

Special Post.

Age.	Year of service.	Pay. Rs.	Overseas Pay. £.
28 to 30	1st	750	25
29 to 31	2nd	850	25
30 to 32	3rd	950	30

33 to 35	6th	1250	30

35 to 37	8th	1450	30
36 to 38	9th	1550	30
37 to 39	10th	1750	30

A starting pay of Rs.750/- plus overseas allowance should be sufficient to attract a man not too old, but

with experience and energy - say about 28 to 30 years of age.

* Flag E.

* In paragraph 1 (e) of appendix IV, to his report Mr. Boag suggested that Rs.1,250/- exclusive of overseas pay might be fixed as the maximum pay of the Inspector. It will be seen from your letter No.

Ø Flag J. Ø S.N.21/16E-25. 1303-Edn., dated the 11th June 1926 that the question was postponed till the necessity for a solution became more urgent. Mr. Yates considers that whether the post remains in the Indian Educational Service or not, the maximum recommended by Mr. Boag is too low and I concur in his opinion.

5. In order to attract an officer of the right type, the following concessions may reasonably be allowed to the new recruit from England:

Leave.

Although officers engaged on contract for more than 5 years are entitled to the leave rules in the Fundamental Rules - vide G.I.F.D.F.

x Flag K. S.N.606/A/250-03. x 31-C.S.R.24, dated the 14th November 1924, it is thought that two periods of leave for six months each during the 10 years' service are preferred and the contract may make provision for those terms. The Officer will have leave on average pay. There should be provision in the contract for

for the grant of leave on medical grounds or other urgent private affairs (debitable to the one year's leave on average pay proposed) if necessity arises. During his absence another Officer will be appointed to the post. He will be selected from men available in local colleges and schools. The sanction of the Government of India will be obtained for the creation of a temporary post for the period of leave.

Passages.

Four First Class (B) passages have to be provided (1 on joining, 1 on return during leave equivalent to 2 passages and one on vacating the post) i.e. about £336/- or about Rs.4,500/-. A sum of Rs.50/- per mensem is now paid to the Madras Government as contribution for passages, hence in 10 years we should have paid at this rate Rs.6,000/- which would cover passages for the officer and his family. Perhaps however passages for the Officer alone would suffice.

Pensions.

Compulsory joining of the General Provident Fund for the period of the contract should be one of the terms of agreement. This would involve no pension or gratuity.

General.

The contract should specify that

that the tenure of the appointment is for 10 years and that the officer selected should be on probation for two years or more. If the officer is discharged after the probationary period but before the termination of the contract, he should be given a free return passage.

A month's notice should be given on either side when the officer wishes to resign or Government wishes to dispense with his services.

6. The creation of a special post of Inspector of Schools, Bangalore and Coorg involves the abolition of the present post of Inspector included in the cadre of Indian Education Service (Officers) of the Madras Province, which requires the sanction of the Secretary of State in Council - Vide Rule I of the Rules relating to expenditure by the Government of India on subjects other than Provincial, printed as an appendix to the Book of Financial Powers.

Flag L. * S.N.105/A C.F.203-07. *

As the maximum pay proposed for the special post is over Rs.1,200/- per mensem, the creation of the special post also requires the sanction of the same authority under Rule 2 of the rules quoted above.

-do- -do-

7. I request accordingly that the Government of India may be pleased to obtain the sanction of

the Secretary of State to the creation of a special post of - Inspector of Schools, Bangalore and Coorg on the terms stated above or on such modification of those terms as the Government of India may think fit.

8. From the enclosed proposition * statement it will be seen that the extra cost involved by the proposal amounts to Rs.165-8-0 per mensem or Rs.1983/- per annum. The average additional expenditure to the Assigned Tract and Coorg will be about Rs.1241/- and Rs.745/- respectively per annum. The additional allotment if any required during the current year will be met by reappropriation.

* In duplicate. Flag Y.

9. Mr. Yates, the present incumbent is due to retire in April 1929 and is proceeding on leave preparatory to retirement in October next and I consider it essential that his successor should work under Mr. Yates for at least 3 months. The abolition of the present post in the Indian Education Service should therefore take effect only from the date of retirement of Mr. Yates.

My dear Lothian,

If Tinker comes in November and takes over, he will be landed in the thick of European School Exams. Further, the work the I.S. Bangalore, has to do is more complicated or rather varied than any other I.S. in South India has to do. I originally suggested that whoever came might work with me for a month or so. I'm certain that Tinker would find everything strange here. Rules, Regulations, Conditions, and I would suggest that he works with me until Christmas, by which time the exams will all be over and I shall have had time to show him things. His date of arrival doesn't seem to be known. If the Resident thinks fit and has the power to create a temporary post for him as my assistant, say, till immediately after the Christmas holidays, I think it would be good for everyone - especially for the European schools, and probably for Tinker. Otherwise, I'm sure I should have to give him the same information while I was on leave.

2. I mentioned to you that I wanted a few days leave before I return to the ardours of Bangalore. As I can't get any leave on average salary without upsetting things, I propose to take eight or ten days casual leave before returning to Bangalore. But I shall all the same attend to my office work. I shall let you know the dates.

Yours sincerely,

Sd/- J.A. YATES.

My dear Lothian,

F.S.N.12 Many thanks for your D.O. (No.2360) of the 5th. I took only 5 days, during which time, though I did not interest, I did office work.

It is only because Tinker will be arriving (Is it Tinker?) I suppose, when the European School Examinations are on, followed by the Cambridge Locals, which I have started on, and I should certainly be pleased to see the former especially through, that I suggested his working under me. For the rest I could help him, even though on leave, but it would be better perhaps for me to be in charge till I had explained everything. I suggested my continuing till after the Xmas holidays, because (1) the European School Examinations will be settled by the 2nd or 4th of January, (2) because I anticipated he would not be here till towards the end of November. I should say therefore six weeks would be sufficient.

Yours sincerely,

Sd. J. A. Yates.

S. N. 12. Many thanks for your D.O. of 1st inst. I took only 5 days, during which time, though I did not go out, I did office work.

It is only because Tinker will be arriving (is it Tinker?), I suppose, when the Europe and Oxford exams are on, followed by the Cambridge ones which I have started on, & should certainly be wanted to see the person especially through, that I suggested his working under me. For the rest I could help him, even though on leave, but it would be better perhaps for me to be in charge till Hodson planned everything. I suggested my continuing till after the Xmas holidays, because (1) the European

S.N.4 My telegram September seventeenth. As stated in paragraph 9 of my C/6015/1005 May twentyfifth I propose under Rule 58(b) of Book of Financial Powers to create temporary appointment of Assistant Inspector of Schools from the date Tinker joins, assuming this is before the end of November until the fourth January 1929, as the European School Examinations will not be settled before that date and it is essential for Tinker to work some time under Yates. Cost will be met from savings available in current year's Assigned Treat budget Stop Trust Government of India will have no objection.

D.O. my dear Ransford

Reference your D.O. letter dated the 15th October, 1928.

Arrangements are in train for separating the post of Inspector of Schools, Coorg and Bangalore, from the Madras cadre, and if, as is probable, these are carried through and it -- becomes a special post, it is proposed on the recommendation of the Government of India to appoint Mr. Harold Tinker, a member of the ~~United Provinces~~ Indian Educational Service, now serving in the United Provinces, as Mr. Yates' successor.

In the circumstances, I doubt if it would serve any useful purpose fo you to have an interview with the Resider
